

**\$13,000 TO SETTLE
BIGAMY CHARGE**

Assistant District Attorney Kilroe on Trial for Compounding the Crime.

When the trial of Assistant District Attorney Edwin P. Kilroe and Attorney Louis E. Swartz of No. 145 Fifth Avenue, on charges of compounding a felony was resumed before Justice Weeks in the Supreme Court today, Judge William Hand, Prosecutor, read into the record papers in the actions begun by Helen St. Marie Bourasse against Arthur Napoleon Bourasse, a broker, who, she alleged, married her while still married to another.

Kilroe and Swartz were indicted as the result of a dismissal of an action for bigamy begun against Bourasse by Helen St. Marie Bourasse. Attorney Swartz appeared in the civil action for Mrs. Bourasse while the bigamy charge was in the hands of Assistant District Attorney Kilroe. Mr. Kilroe has always insisted that there was no sufficient evidence against Bourasse to secure conviction. The prosecution charges that the bigamy charge against Bourasse was dropped after he had paid \$12,000 to Mrs. Bourasse.

Mrs. Helen St. Marie Bourasse, the first witness, said that she was secretly married in Brooklyn in March, 1915, because her husband told her he feared the opposition of his parents. She said she was a moving picture actress and had been employed by the famous Players-Lasky concern. She now lives at the Great Northern Hotel.

his company against the Morse Dry Dock and Repair Company in the Kings County Supreme Court.

Anderson was arrested at that time and released on bail. The evidence was presented to the Grand Jury and today's indictment resulted.

TAILORS GO ON STRIKE.

Workers in Fifth Avenue Shops Oppose Wage Cut.

The "Fifth Avenue Tailors" as the members of Local No. 350 of the

Journeyman Tailors' Union are called, because most are employed by the shops on that thoroughfare, went out on strike this morning. By an affirmative vote of 80 per cent, they decided last night at Bohemian Hall, No. 231 East 73d Street, to remain away from

work until their demands are granted. The tailors want the minimum wage of \$40 a week, the forty-four-hour week with eight-hour day, and an abolition of the practice of taking work home to be finished. They are mostly Bohemians.

SAFETY IN RICH RED BLOOD

Gude's Pepto-Mangan Bril's Vigorous Blood. Recommended by Physicians for Thirty Years as a Reliable Blood Tonic

A great many people, working hard every day, get in a run-down condition without realizing it. They have days and sometimes weeks when they do not feel just right, and they worry along, thinking that they will soon be in good shape again. It is true that they are not really ill. But when the system is run-down it is usually due to weak blood. When you overdo and go through exertion, lose sleep, and catch cold easily, the system gets run down, so that when an epidemic comes along, germs have an easy time of it.

If you do not feel up to normal, if you are all tired out and listless, take Gude's Pepto-Mangan for a while and notice the difference. It makes rich red blood, tones the system up so that you feel like getting things done. Your appetite comes back, you eat heartily and if there is nothing vitally wrong, you will be yourself again. You will be up and doing and you will get exercise and fresh air and plenty of sleep.

Gude's Pepto-Mangan is put up in both liquid and tablet form and is sold by druggists everywhere. The liquid and tablets have exactly the same medicinal value. Buy whichever you prefer and be sure it is genuine "Gude's Pepto-Mangan." The name "Gude's" is on the package.—Advt.

IF BACK HURTS USE SALTS FOR KIDNEYS

Eat less meat if Kidneys feel like lead or Bladder bothers.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.—Advt.
